

ACTI-PROTECT™ PUPPY

Complete dry pet food for puppies, rich in lamb.
Also suitable for gestating / lactating bitches.

KEY BENEFITS

Contains fish oil, a source of DHA, essential for healthy brain and vision development

Contains beet pulp, a prebiotic scientifically proven to increase bifidobacteria for a better gut microflora balance

Helps maintain good faecal quality during weaning periods

Contains bentonite – a clay that binds excess water, which in combination with other fibre sources will help improve faecal quality

A combination of key nutrients that helps to support healthy joints for your puppy's active lifestyle

700 g, 3 kg and 10 kg

Helps strengthen puppies
immune response up to
50% more
